We need to do something...
It's pretty obvious we'll have to fight for free & fair elections.
There's too many people in authority who've been corrupted.
For instance, Trump had federal judges continually blocking him.
Yet Biden, who's actions are unconstitutional go un checked...

Did you hear about George Floyd's nephews comments...
Wonder if the FBI gave him a visit...

John Curtis @Johnmcurtis · Nov 7
George Floyd's nephew, Cortez Rice, makes a claim that he knows people taking photos of jurors during the Kyle Rittenhouse trial in Kenosha, Wisconsin. His goal is to dox jurors if they do not convict.

Taliban parades weapons,
The weapons were not seized,
They were donated, intensionally left behind to use in future combat
against America her allies or anyone who opposes their evil regime.
The Biden administration aided & abetting the enemy. Fact !!!

Taliban parade weapons seized from Afghan army as U.S. withdraws
"We will fight them and we will push them back," a senior Afghan commander told NBC News about the Taliban's gains.

Please DO NOT Feed the Troll...

Trolls try to disrupt, destroy or change discussion groups to fit their own agendas.

Trolls are pin heads.

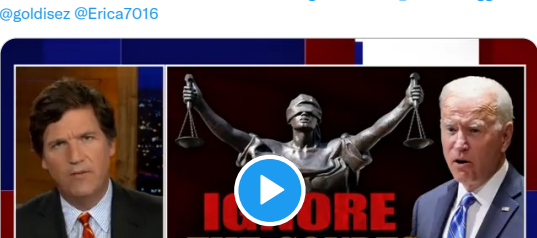

These trolls like to visit and try to disrupt our happy forum. Their lowly reason for existence is to post provocative, hostile or annoying messages. They claim they're here to discuss but in fact are just here to cause trouble. Trolls have an exaggerated sense of their own importance. Trolls will normally use a persecution defense when they are asked to cease their antisocial behavior. When someone asks them nicely to stop posting negative comments, they'll claim innocent intent and will scream censorship. They will claim that they are being singled out because of their unpopular viewpoints.

Trolls will only stay when they are fed or given attention. So please do not pet, respond to, or feed trolls. Doing so only results in their prolonged stay.
